---

## Research Experience

**Graduate Research Assistant/Lab Manager**

California State University, Fullerton, Psychology, 8/08-05/10

*Advisor*: Christine D. Scher, Ph.D.

*Duties*: Investigating PTSD and cognitive processing of emotional information with interpersonal violence survivors. Using cognitive and biological based paradigms and self-report measures. Engaging in various aspects of the research process including, but not limited to, setting up of the experiment, running participants, data collection and

analyses, the human subjects institutional review process, and creating poster displays for presentations.

### **Undergraduate Research Assistant**

California State University, Fullerton, Psychology, 7/07-05/08

Advisor: Christine D. Scher, Ph.D.

*Duties:* Conducting research projects on information processing and anxiety sensitivity. Running participants through a psychophysiological and behavioral experiment. Screened participants, collected data from human subjects, entered data for later statistical analysis, performed statistical data analyses, created graphical displays of data, and created poster display for presentation.

---
