Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Students wishing to have previous coursework count for UT requirements must provide their advisor with documentation (e.g., course syllabi or other relevant course materials). The advisor also may request copies of the table of contents of assigned texts and the course catalog description of previous courses taken. Only courses taken for graduate credit may be presented for review. Check with your advisor and assemble all required documentation soon after Fall semester of your first year.

Waiving course(s) does not decrease time to completion due to other program requirements.
